Summer 2010

FROM THE HELM

We're downright thankful these days!

Why? Two reasons. One, because you, our customers voted Norview one of the ten best marinas for smaller boats in the Chesapeake Bay, according to Chesapeake Bay Magazine. We couldn't be happier and we'll keep on trying until we're best at everything we do.

We're also thankful that all our customers are here with us in spite of the challenging economic environment. We'll continue our tradition of saying "thanks" to our slip and boatel customers with a party by the pool on Saturday, August 14th starting with horseshoes at noon. Please sign up at the A-Dock market by 10:00 on the 14th.

Barbecue and chicken will be lovingly prepared by Doug and served at around 5:00 and we welcome potluck dishes. We'll get the music going shortly after dinner so practice your favorite barefoot dance moves!

Please RSVP by Wednesday, August 11th.

We want to wish everybody a Happy and Safe 4th of July.

While on the docks please be respectful of others and observe Norview's quiet hours from 11pm to 6am, and remember that we have grills for your convenience at the pool picnic area. There should be no open flame fires of any type on the docks, piers or on boats while at the docks.

Keep in mind that Bonita can get you great prices on parts. She is currently giving the deepest discount possible on parts that she has in stock. If you need engine parts drop by or call Bonita with your engine number.

Enjoy the Summer!!

FROM THE DOCK

It was certainly a hot spring, and summer seems to be starting off the same way, but there's no better way to enjoy a hot day, than to be out on the water. So don't hesitate, we'll be complaining about how cold it is soon enough.

We are having quick summer storms and want to remind boatel customers to have their fenders out while at the dock.

Fishing has had its good days and its bad, (that's why they call it fishing and not catching). There's flounder and bluefish being caught at "The Cell", (that's a good way to keep the boat moving so

you can stay cool.) Croaker fishing hasn't been the best, but you can still get a cooler full-just takes longer-because the fish are smaller.

Don't forget you can become a fan of Norview Marina on Facebook. I hope to see all soon.

Wes Hunley

THE MAIN-SALE

Boat sales have been pretty good through the Spring. There are still some great deals around and with the economy coming back it's a great time to list your boat.

Featured Boat:

38' Bertram Cruiser

This is a great classic in excellent shape. The owner has taken wonderful care of her. This boat has only been in saltwater for 6 years. She would make a great live-aboard or a weekend retreat. With her two 12000btu air-conditioning units, 325hp MerCruiser engines and 6.5kw Onan generator, any trip is possible in comfort. At this price your getting a lot of boat and a very solid value. Please look at her "Full Specs"--she is equipped with many attractive options.

If you want to buy or sell, don't wait; contact Doug today at (804) 776-7447 or (804) 776-6463.
