Spring 2011

FROM THE HELM:

Welcome back!! Spring is here at last. The sun warms your back when you're looking out on Broad Creek. Here at Norview, we're ready to start a great 2011 boating and fishing season.

We'd like to say welcome back to our returning customers and welcome aboard to our new slip holders.

Talk about low slip rates! For those of you who saw us at the Richmond Raceway show, we want to congratulate Sally and Pete Talley who won six months of *free dockage* at Norview by entering our giveaway. We had a pile of people sign up for the free slip and are thrilled that one of our loyal customers was the winner!

Get ready for the next great thing on the Chesapeake Bay! Yep, that would be the "Middle Bay Boat Show at Norview Marina"! On Saturday April 30th and Sunday May 1st, Norview will play host to the first annual Middle Bay Boat Show. As of this writing we have more than thirty exhibitors with boat brands including Grady-White, Parker, Scout, Key West, Edgewater, ProLine, Sea Fox, Twin Vee, Polar, Trophy, Tidewater, Sea Cat, Zimmerman Marine and many more. In addition, there will be exhibitors showing everything from canvas to towing services to fudge to drinks-in-a-bag to boat lifts to fishing tackle to trailers to fuel

polishing equipment to golf carts! There will be great food, entertainment and giveaways of all types. It's free for visitors so be sure to save the dates and be at Norview for the show event of the season!

Fuel Rates Well, here we go again with the Middle East boiling and our fuel prices going up. The good news is that if you already own your boat, using it is not as expensive as you might think even at \$4 a gallon for gas. (Take a look at a terrific article in the Southside Sentinel March 24th issue by Grid Michal -www.ssentinel.com- that compares the cost of several family activities to boating.) In any case, we'll do our best to keep our fuel prices competitive until prices decline, which they will.

Quiet Hours Please remember to be respectful of your slipmates and observe Norview's quiet hours from 11pm to 6am. Thanks!

So once again, **Welcome Back to Norview Marina** - the most pleasant place to be on a beautiful Chesapeake Bay Summer day!

FROM THE DOCK

Well, Spring is here again and hopefully one day soon it will begin to feel like it. I know you're all anxious to get back on the water, and hopefully we will all have a successful boating season. We are happy to welcome our new dock staff this

year Austin, Dahron and DeMonte'; and Brandon will be returning, as well.

In our goal to provide a cleaner boat, we have preformed maintenance and painting on our lifts this winter; and we've invested in a floor washer. This should reduce the soot and keep the boatel floor cleaner.

We are also asking that anyone who would like their boat picked up and stored for the evening to please be ready 15 minutes prior to closing time, so we have time to rinse your boat and our forklifts with freshwater to keep them clean.

I hope everyone and their families made it through the winter and is ready for a great season. I look forward to seeing you all soon.
