Summer 2011

FROM THE HELM

Happy Fourth of July!

In some ways, this is our favorite time of the season. Summer's here, the weather is fairly predictable (meaning warm) and the days are wonderfully long. Not to mention we have two full months of it ahead of us! There's no better place to be in July and August than on the Bay, on your boat. Enjoy it.

Save The Date!

We're continuing our tradition of saying "thanks" to our slip and boatel customers with a party by the pool on Saturday, August 13th. Horseshoes will start at noon-please sign up at the A-Dock market by 10am on the 13th. This year, *Sweet Justice* will return to rock the marina, courtesy of several of our music-loving customers. Barbecue and chicken comes off the grill at around 5pm and, as always, potluck dishes are welcomed. Please RSVP by Sunday, August 7th. Hope to see you all there!

In the meantime, have a Safe and Happy 4th of July.

Most of you may have noticed an increase in animals (both domestic and wild) on the property. Please do your part by stowing all your foodstuffs and do not feed the animals. Also, please remember to

be respectful of others and observe Norview's quiet hours from 11pm to 6am, and remember that we have grills for your convenience at the pool picnic area. There should be no open flame fires of any type on the docks, piers or on boats while at the docks.

Keep in mind that Bonita can get you great prices on parts. She is currently giving the deepest discount possible on parts that she has in stock. If you need engine parts drop by or call Bonita with your engine number.

Enjoy yourselves—life is short and the relaxation you get through boating will help you live longer.

FROM THE DOCK

I hope you all have enjoyed your summer so far, and that you will find time to enjoy the next few months of warm weather. The fishing hasn't been great, but it's definitely not bad enough to keep you at the dock. I'm still seeing croaker and spot coming in from the River, and occasionally there's been good flounder catches in the Bay, I've even heard of some Spanish Mackerel being caught. Hopefully gas price will continue to drop.

Also, if you haven't already, please stop by A-dock market and pick up your pool passes. We are doing pool check to limit the use of the pool to our Norview customers. If you see someone at the pool whom you think shouldn't be there please notify our staff and we will check in to it. Thanks to you all for your

cooperation and we hope to see you soon

Don't forget you can become a fan of Norview Marina on Facebook..

Wes Hunley

THE MAIN-SALE

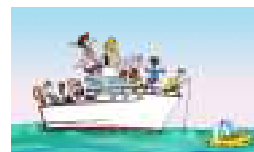

Hey summer is here and boating's in full swing. And it's no better time to buy or sell. The phones are ringing and people are looking for the perfect boat, and yours could be it. Or if you are looking for a boat let us know and we can try to find one for you. Hope everyone has a great summer.

Featured Boat:

36' Sliverton 2007

Very clean boat. Well maintained by owner and Yanmar dealer. This boat has lots of factory options. Electronics include a Raymarine E-80 radar, GPS, depth, VHF radio upper and lower. Has 2 reverse cycle ac units. Cockpit ice maker, powered by a pair of 315hp Yanmar diesels with 290hrs and a 6kw generator with 350hrs. Fast boat with low fuel burn. This boat is loaded with options and ready to go! All it needs is you. OWNER READY TO SELL

If you want to buy or sell, don't wait; contact Doug today at (804) 776-7447 or (804) 776-6463.
